SWT16 COMBO TRAILER

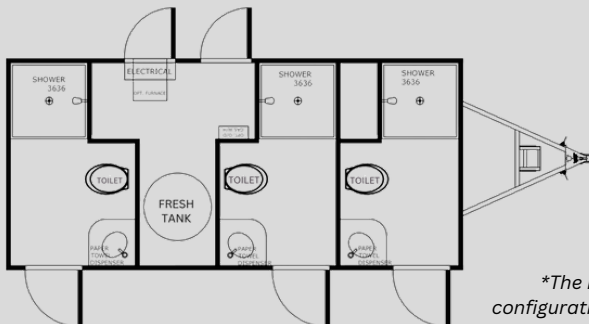

3-STATION SHOWER & RESTROOM COMBO TRAILER

Grey Silk Interior

The SWT16 Three-Station Combo Trailer is designed to meet the sanitation needs of a variety of events. Whether for disaster relief, sporting events, construction sites, or factory work sites during remodeling, this unit combines washrooms and restrooms for maximum efficiency.

Key features include an optional on-board fresh water holding tank with a pump for water supply, or a city connection for an external water source. Both toilets and sinks are water-conserving for added efficiency. Additional options like a GPS system with tank monitoring and customizable floor plans are available.
